

Tupac - Me Against The World* Lyrics

It's just me against the world
It's just me against the world baby
I've got nothing to lose, it's just me against the world
Stuck in the game, me against the world baby

Can you picture my prophecy? Stress in the city, the cops is hot for me
The projects is full of bullets, the bodies is dropping
There ain't no stopping me, constantly moving while making millions
Witnessing killings, leaving dead bodies in abandoned buildings

Carries to children 'cause they're illing
Addicted to killing and the appeal from the cap peeling
Without feeling but will they last or be blasted?
Hard headed bastard, maybe he'll listen in his casket, the aftermath

More bodies being buried, I'm losing my homies in a hurry
They're relocating to the cemetery
Got me worried, stressing, my vision's blurred
The question is will I live? No one in the world loves me

I'm headed for danger, don't trust strangers
Put one in the chamber whenever I'm feeling this anger
Don't wanna make excuses 'cause this is how it is
What's the use unless we're shooting no one notices the youth
It's just me against the world baby

Me against the world, it's just me against the world
It's just me against the world, me against the world
'Cause it's just me against the world baby
Me against the world, I've got nothing to lose
It's just me against the world baby, I've got nothing to lose

Could somebody help me? I'm out here all by myself
See ladies in stores, Baby Capone's, living wealthy
Pictures of my birth on this Earth is what I'm dreaming
Seeing Daddy's semen, full of crooked demons, already crazy

And screaming I guess them nightmares as a child
Had me scared but left me prepared for a while
Is there another route? For a crooked Outlaw
Veteran, a villain, a young thug, who one day shall fall

Everyday there's mo' death and plus I'm dough-less
I'm seeing mo' reasons for me to proceed with thieving
Scheme on the scheming and leave they peeps grieving
'Cause ain't no bucks to stack up, my nuts is backed up

I'm 'bout to act up, go load the Mac up, now watch me klacka
Tried making fat cuts but yo it ain't working
And Evil's lurking, I can see him smirking when I gets to perving
So what? Go put some work in and make my mail, making sales
Risking 25 with a 'L' but, oh well

Me against the world with nothing to lose
It's just me against the world, it's just me against the world baby
Me against the world, I've got nothing to lose
It's just me against the world, it's just me against the world baby
With nothing to lose, it's just me against the world baby
Me against the world, me against the world
I've got nothing to lose, it's just me against the world baby

With all this extra stressing
The question I wonder is after death, after my last breath
When will I finally get to rest? Through this suppression
They punish the people that's asking questions

And those that possess, steal from the ones without possessions
The message I stress to make it stop study your lessons
Don't settle for less even the genius asks questions
Be grateful for blessings, don't ever change, keep your essence

The power is in the people and politics we address
Always do your best, don't let the pressure make you panic
And when you get stranded and things don't go the way you planned it
Dreaming of riches, in a position of making a difference

Politicians and hypocrites, they don't wanna listen
If I'm insane, it's the fame made a brother change
It wasn't nothing like the game
It's just me against the world

Me against the world, nothing to lose
It's just me against the world baby, me against the world
Got me stuck in the game, it's just me against the world
I'd be ashamed to lose, it's just me against the world baby
Me against the world

That's right, I know it seem hard sometimes but uhh
Remember one thing, through every dark night
There's a bright day after that
So no matter how hard it get, stick your chest out
Keep your head up and handle it

Me against the world
Me against the world
Me against the world
